

The Living Room Reset Checklist

A calmer, more functional space starts with what you already own.

01 CLEAR WHAT DOES NOT BELONG

- ☐ Collect dishes, shoes, paperwork, and other items that belong elsewhere.
- ☐ Return those items to their proper places.
- ☐ Clear your coffee table, side tables, and TV console.
- ☐ Keep only useful items and things you enjoy displaying.

02 WORK WITH THE FURNITURE YOU HAVE

- ☐ Give remotes, books, blankets, and other essentials a designated spot.
- ☐ Try a small furniture adjustment if the room feels crowded.
- ☐ Keep walkways clear and check that drawers and doors can open.

03 DECIDE IF MORE STORAGE IS REALLY NEEDED

- ☐ Identify exactly what still needs a home after decluttering.
- ☐ Choose a location and measure it before considering a purchase.
- ☐ Ask: Will this piece make the room easier to maintain?

MY STORAGE MEASUREMENTS (only if needed)

Item to store: _____

Available space: Width _____ Depth _____ Height _____

Clearance needed for doors, drawers, and walkways: _____

04 THE FIVE-MINUTE DAILY RESET

- ☐ Put remotes, books, and everyday items back.
- ☐ Fold blankets and straighten pillows.
- ☐ Clear cups, dishes, and clutter from tables.
- ☐ Return stray items to the rooms where they belong.
- ☐ Wipe frequently used surfaces if needed.

Progress over perfection. Make the room work for the way you live.

Still dealing with clutter that keeps coming back?

Go beyond the checklist with guided decisions, room-planning tools, a real-life example, and a personalized upkeep routine.
